### FREED FROM ITCHING BY CUTICURA REMEDIES

"I have been successfully cured of dry eczema. I was inspecting the removal of noxious weeds, it being part of my duty, from the edge of a river and was constantly in the dust from the weeds. At night I shook out my trousers and cleansed my limbs, but felt a prickly sensation. I paid no attention to it for two years, but I noticed a scum on my legs like fish scales. I could scrape it off, and yet I did not attend to it until it came to be too itchy and sore and began getting two running sores. My ankles were all sore and scabby and I could not wear shoes. I had to use carpet and felt slippers for weeks. I was then on particular police duty and was compelled to be on duty. I got a cake of the Cuticura Soap and some Cuticura Ointment. In less than ten days I could put on my boots and in less than three weeks, though on duty all the time, I was free from the confounded itching. I tell you frankly that Cuticura saved me from what the doctors called a bad leg. Capt. George P. Bliss, Chief of Police, Morris, Manitoba, Mar. 20, 1907, and Sept. 24, 1908."
